* UK: The UK has no official national day, although the Queen's official birthday is often celebrated as such by embassies, consulates, and communities abroad. The date changes each year, and each commonwealth country may choose to celebrate it on a different day. Usually it occurs in late May or early June. In the UK it occurs on the first, second, or third Saturday in June. http://en.wikipedia.org/wiki/Queen%27s_Official_Birthday

* Fiji: Per the CIA World Factbook, Fiji celebrates its 1970 independence from Britain on the second Monday of October, and the U.S. State Department notes the date as October 11. However, October 10 (the actual date of independence) seems to have been adopted as the official date in recent years, and it will be October 10, 2015 per the government of Fiji website: <http://www.fiji.gov.fj/About-Fiji/Public-Holidays.aspx>
